WE OFFER THREE UNIQUE PRODUCT LINES TO ACCOMMODATE YOUR INDIVIDUAL NEEDS.

The Equistar from Merhow is steel framed with an aluminum exterior, aluminum roof trusses and a one-piece aluminum roof. It is available in bumper pull, gooseneck and full living quarters.

The AlumaStar is our newest addition, available in 2-3 and 4 horse slant load and offering 7' to 8' wide interiors. The AlumaStar can be purchased as a standard gooseneck or as 4' to 14' living quarters model.
